Dear Mr. Ashdown:

The Division is in receipt of your executed copies of forms MR-1 and MR-2 for the Desert Mound Mine and the Keigley Quarry Mine, but we are herewith returning these forms to you for additional signatures.

Please note that notarized signatures are needed in two places on each plan. Mr. Beukema neglected to sign page 3 of 3 of form MR-2. We hope this oversight can be corrected by the 1st of July deadline for filing.

Sincerely,  
DIVISION OF OIL, GAS, AND MINING

RONALD W. DANIELS
